4 Mother Tells How She Saved

Her Little Daughter's Lile, I am the mother of eight children and have had a great deal of experience with Last summer my little medicines. daughter had the dysentary in its worst form. We thought she would die. I tried everything I could think of, but nothing seemed to do her any good. I saw by an advertisement in our paper that Chamberlain's Colic, Cholera and Diarrhoea Rem-dy was highly recom-mended and sent and got a bottle at once. It proved to be one of the very best medicines we ever had in the house. It saved my little daughter's life. I am anxious for every mother to know an excellent medicine it is. Had I known it at first it would have saved me a great deal of anxiety and my little daughter much suffering.-Yours troly, MRS, GEO F BURDICK, Liberty, R. L. For sale by all dealers in medicines.
